CME CREDITS**

IMAGING ESSENTIALS

September 19th at noon
Harvard Medical School, Goldenson 122

Identify & edit raster, bitmap, pixel-based photos & vector objects. Determine correct file compression, color mode & bit depth options. Learn important fundamentals of image preparation. Understand how to prep images in one application for use in other applications. Become skilled at determining correct resolution & output strategies.

FIGURES FOR JOURNALS

October 16th at noon
Harvard Medical School, Goldenson 122

Efficiency & reliability: easily prepare figures for scientific journals with familiar tools & a foolproof workflow that eliminates any chance of rejection for guideline violations.

DRAWING TOOLS AND ILLUSTRATION FEATURES OF POWERPOINT

October 31st at noon
Harvard Medical School, Goldenson 122

Discover PowerPoint's sophisticated drawing tools. Draw complex shapes, edit Bezier curves, output high-resolution images, create pdf files & prepare complex images for journals.

POSTER MAKING FOR LARGE FORMAT PRINTERS

December 11th at noon
Harvard Medical School, Goldenson 122

Here's an efficient & pain-free way to construct posters. Maximize your message with images, illustrations & text by using PowerPoint & Photoshop to create posters that print properly.

contact us

Seminars are about an hour long. Attendance is free. No registration required. Seminars are open to all HMS, HSDM and HSPH faculty & staff, as well as members of its Affiliated Hospitals and Institutions. For more information or to arrange for in-department seminars, email Research Imaging Solutions at ris@hms.harvard.edu or visit IT.MED.HARVARD.EDU/TRAINING

Upon completion of this activity participants will be able to competently identify image types, efficiently edit and create figures, posters and presentations and decipher journal submission guidelines.
The Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Harvard Medical School designates this live activity for a maximum of 1 AMA PRA category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
