

Call for Applicants

Networking Tour in Artificial Intelligence

DAAD Ainet 9/2021

You are a postdoctoral researcher or an experienced PhD candidate in the field of artificial intelligence looking for your next collaboration, job, or for an opportunity to realize your independent research project? The *DAAD Artificial Intelligence Networking (Ainet) Fellowship* offers a unique gateway to the AI research community in Germany through academic networking and exchange.

Apply now to the **DAAD Ainet 9/2021** call and participate in the upcoming edition of the *Postdoctoral Networking Tour in Artificial Intelligence (Postdoc-NeT-AI)* with the topic **AI in Medicine**.

Fellowship

The **DAAD Ainet fellowship** includes the participation in the Postdoc-NeT-AI, which consists of a virtual networking week as well as an individual one-week travel stipend, and the admission to the DAAD Ainet Fellows and Alumni network.

Postdoc-NeT-AI Virtual Networking Week | 13 – 17 September 2021

During the virtual networking week, you will get a profound insight into AI applications in medicine and medical research and you will have the chance to connect directly to distinguished researchers from the field. According to your research focus you will be matched with researchers of your choice at the host institutions for 1-on-1 meet-ups.

Postdoc-NeT-AI One-Week Travel Stipend

Following the networking week the DAAD will finance a week-long trip to visit German research institutions on-site as soon as Covid-19 restrictions allow. The trip can be extended on your own costs (or on the costs of a host institution) for up to another week.

Requirements

You should have:

- an outstanding scientific track record (proven by publications etc.) with a focus on artificial intelligence and machine learning connected to the focus of the call;
- obtained a PhD/doctorate no longer than 5 years ago (candidates for a PhD/doctorate are expected to finish their studies before August 2022).

Application

For more information (host institutions, fellowship etc.) and to apply, go to daad.de/ainet/apply.
