A THINKSHOP BY HGBC SOCIAL ENTREPRENEURSHIP INITIATIVE

THE JOURNEY OF A SOCIAL ENTREPRENEUR

The Social Entrepreneurship Initiative by the Harvard GSAS Business Club is a platform to engage business as a vehicle for social change. This year, we bring to you a year-long thinkshop series titled The Journey of A Social Entrepreneur. The thinkshop will cover the lifespan of a social entrepreneur: from making the plunge to be a social entrepreneur to choosing the right business model and exploring the unique milestones and hurdles social entrepreneurs are likely to face.

We strongly encourage you to sign up for our first two sessions together. This is the right thinkshop for you if:

- you want to know more about social entrepreneurship
- you want to become a social entrepreneur
- you already are or have been a social entrepreneur
- you love learning about business and entrepreneurship

Sessions Announced:

- **Session I:** Do you have what it takes to be a social entrepreneur? October 14, 5 PM EST
- **Session II:** Which business model suits your social startup? Nov 3, 5 PM EST
