

The Individual Development Plan

Maximizing Your Postdoc Training

2018

Feb 28

Apr 25

Jun 19

Aug 29

Oct 24

Dec 19

This seminar lays out tools and strategies for choosing the right research environment to thrive as a postdoc as well as planning, and executing, a successful postdoc tenure. This workshop will cover what you need know, and do, to efficiently advance in your early research career via an effective use of your individual development plan (IDP).

Featuring: Jim Gould, PhD
*Director, Office for Postdoctoral Fellows
Harvard Medical School*

Tuesday, June 19

12:00-2:00pm

TMEC 447, 260 Longwood Ave.
