

# Celebrating Postdoc Achievements

---

**Julie Sesen, PhD**  
Vascular Biology Program  
Boston Children's Hospital

*National Postdoc Appreciation Week – September 20-24, 2021*

**I started the BCH Green Labs program**  
*Until Every Lab Is Green!*

- I also published two papers in 2021:**
- Non-Invasive Urinary Biomarkers in Moyamoya Disease, *Front. Neurol.*
  - Neogenin is highly expressed in DIPG and influences tumor invasion, *Brain Res. J.*
