

Faculty/Director Name	HMS/HSDM Department Affiliation	Lab/Program Website	Contact email	Position Title/Area of Research	Position Description	Timing of Position Availability
Stephen Blacklow	Biological Chemistry and Molecular Pharmacology (BCMP), HMS	https://blacklow.hms.harvard.edu	stephen_blacklow@hms.harvard.edu	Postdoctoral Fellow in Signal transduction/Molecular Structure and Function	Position Description	Currently available
Johannes Walter	Biological Chemistry and Molecular Pharmacology (BCMP), HMS	https://walter.hms.harvard.edu/	johannes_walter@hms.harvard.edu	Postdoctoral fellow/DNA replication and repair using a cell-free system derived from frog eggs.	https://walter.hms.harvard.edu/opportunities	Soon to be available (3-6 months)
Nils Gehlenborg	Biomedical Informatics, HMS	http://gehlenborglab.org	nils@hms.harvard.edu	NLM BIRT T32 Fellowship	https://dbmi.hms.harvard.edu/education/nlm-biomedical-informatics-data-science-fellowship	Currently available
Nils Gehlenborg	Biomedical Informatics, HMS	http://gehlenborglab.org	nils@hms.harvard.edu	2 Positions: 1) Postdoctoral Fellow - Genomics and Imaging Data Visualization Tools for Nucleome Studies; 2) Postdoctoral Fellow - Electronic Health Record Data Visualization	http://gehlenborglab.org/team/open-positions/	Currently available
Robert Truog, MD	Center for Bioethics, HMS	https://bioethics.hms.harvard.edu/	bioethics_postdoc@hms.harvard.edu	Postdoctoral Research Scholars Program in Bioethics	Position Description	Anticipated opening (12 months)
Brad Coleman	Curriculum Fellows Program (CFP), HMS	https://curriculumfellows.hms.harvard.edu/	cfp@hms.harvard.edu	Research Rigor and Reproducibility (R3) Curriculum Fellow	https://curriculumfellows.hms.harvard.edu/job-opportunities	Currently available
Catherin Debreuil	Ideation Hub (i-Hub), HMS	https://i-hub.hms.harvard.edu/tifp	Catherine_Dubreuil@hms.harvard.edu	2 positions: 1) Therapeutics Innovation Fellow for the COVID-19 Translator Research Program; 2) Therapeutics Innovation Fellow for the Lyme Disease Research Program	https://i-hub.hms.harvard.edu/tif-admissions	Immediately available
Ruth Franklin	Immunology, HMS	www.ruthfranklinlab.com	ruthfranklin@fas.harvard.edu	Postdoctoral fellow	Position Description	Currently available
Arlene Sharpe	Immunology, HMS	https://sharpe.hms.harvard.edu/	sharpe_lab@hms.harvard.edu	Postdoctoral Fellow with previous research experience in the areas of autoimmunity or immune tolerance.	https://sharpe.hms.harvard.edu/join-us	Soon to be available (3-6 months)
Isaac Chiu	Immunology, HMS	http://chiulab.med.harvard.edu	isaac_chiu@hms.harvard.edu	Neuro-immunology Postdoctoral Fellow	Position Description	Currently available
Marco Jost	Microbiology, HMS	https://www.hms.harvard.edu/dms/bbs/fac/jost.php	marco_jost@hms.harvard.edu	Postdoctoral fellow, microbiome biology	Position Description	Anticipated opening (6-18 months)
Melissa Leger-Abraham	Microbiology, HMS	https://leger-abraham-laboratory.com	melissa_leger-abraham@hms.harvard.edu	Research Fellow Molecular biology and structural biology in the field of protein synthesis using Leishmania or Plasmodium model organisms	Position Description	Anticipated opening (6-18 months)
Priscilla Yang	Microbiology, HMS	https://yanglab.med.harvard.edu/	priscilla_yang@hms.harvard.edu	Research Fellow / Molecular Virology and Research Fellow / Protein Biochemistry	Position Description	Currently available
Philip Kranzusch	Microbiology, HMS	https://kranzuschlab.med.harvard.edu	philip_kranzusch@dfci.harvard.edu	Postdoctoral scholar position in innate immunity and RNA biochemistry	Position Description	Soon to be available (3-6 months)
Lisa Goodrich	Neurobiology, HMS	http://goodrich.med.harvard.edu/	Lisa_Goodrich@hms.harvard.edu	Neural circuit assembly, maintenance, and function	Position Description	Currently available
Wei-Chung Lee	Neurobiology, HMS / F.M. Kirby Neurobiology Center, BCH	https://www.lee.hms.harvard.edu/	wei-chung_lee@hms.harvard.edu	Postdoc / Neuronal Circuits	Position Description	Currently available
Rosalind Segal	Neuroscience, DFCI	https://segallab.dana-farber.org/	rosalind_segal@dfci.harvard.edu	Research Fellow	https://careers-dfci.icims.com/jobs/20201/research-fellow/job	Currently available
Sean Megason	Systems Biology, HMS	www.digitalfish.org	megason@hms.harvard.edu	Design principles of biological form	Position Description	Currently available
John Higgins	Systems Biology, HMS	http://sysbio.med.harvard.edu/john-higgins	john_higgins@hms.harvard.edu	Mechanistic Mathematical Modeling of Human Disease Processes with Clinical Data	Position Description	Anticipated opening (6-18 months)
Sahand Hormoz	Systems Biology, HMS	https://hormoz.hms.harvard.edu/	sahand_hormoz@hms.harvard.edu	Postdoc positions in systems and synthetic biology	Position Description	Currently available
