

Mentor Training Series

The DF/HCC CURE and UMass Boston U54 REC Programs will be hosting a series of workshops focused on mentorship development and shared practice for current, past and prospective mentors in the Harvard and UMass Boston communities.

Effective Communication with Research Mentees

Thursday, March 4th, 2021

1:00-2:30 PM

In this session participants will have the opportunity to:

- Identify communication styles and highlight corresponding strengths within each.
- Discuss strategies for improving effective communication among mentor and mentee.
- Consider approaches to providing open and constructive feedback between mentor & mentee.
