

Mentor Training Series

The DF/HCC CURE and UMass Boston U54 REC Programs will be hosting a series of workshops focused on mentorship development and shared practice for current, past and prospective mentors in the Harvard and UMass Boston communities.

Short Term Research Project Design & Implementation

Thursday, May 6th, 2021

1:00-2:30 PM

In this session, participants will have the opportunity to:

- Identify the characteristics of an effective and realistic short-term research project.
- Outline a short-term research project and identify progress checkpoints.

Join us to hear current & past mentors speak about their experiences with short-term research project design and goal setting with mentees!

Please register through the HMS Postdoc Office [here](#).
