

## Presentation Skills for Brainiacs

Simplifying complex ideas so that everyone understands you

**Laura Foley**

Cheater of Death by PowerPoint

**Thursday, November 29, 2018**

**6:00 – 7:45 PM**

\*Registration & Refreshments at 5:30pm\*

**Harvard Medical School Quad, Building C, Cannon Room**  
240 Longwood Ave, Boston, MA

*Have you ever tried to explain your complex data or research and failed to get your points across?*

*Graphic designer Laura Foley will lead this interactive workshop on how to convey scientific information in a clear, concise, and engaging manner!*

*The event will also feature a series of before-and-after PowerPoint presentation slides!*
