

Teaching Institute

4-Day Intensive Course

Theory, Practice, & Navigating STEM Higher Ed

Monday-Thursday | August 6-9, 2018 | 9am-5pm*
School of Management, 5th Floor, Simmons College

Course Instructor: Jennifer Herman, PhD

Associate Professor of Practice in Education and
Director, Center for Excellence in Teaching, Simmons College

After completing this course, participants will be able to:

- Analyze, share, apply and reflect on techniques to enhance student learning.
- Reflect on a variety of teaching methodologies in higher education.
- Apply the backward course design model to lesson development.
- Discuss the influence of the STEM professions on teaching theory and practice.
- Design and deliver a lesson in their discipline based on best pedagogical practices.
- Incorporate reflective practice into their work.
- Navigate the STEM environment from hire to tenure.

APPLICATION DEADLINE: Monday, July 16, 3:00pm

Cost to Attend: \$50 (*covers all materials and meals*)

Eligibility: You must be a Harvard/HMS/HSDM affiliated postdoc or faculty to apply.

Women and minorities underrepresented in STEM professions are **STRONGLY** encouraged to apply. Note: applicants will be notified of acceptance after the deadline

****Daily schedule is subject to change as details are finalized.***
